

Grace Children's Ministries

The Gospel Project @ Church (K-6th grade) 10:30 am

We are currently going on a journey through the Bible from Genesis to Revelation with The Gospel Project by Lifeway Christian Resources.

Together, we are looking at every story in the Bible to find the Gospel and see how the Bible is actually one big story of God's grace, love, and redemption.

Kid's of all learning styles will have a chance to connect to God's word through the use of puzzles, crafts, high-energy games, experiments and more. Kids will also have the chance to practice what they've learned through role playing and service projects.

We hope you and your Elementary Kids join us soon for The Gospel Project!

The Gospel Project @ Home

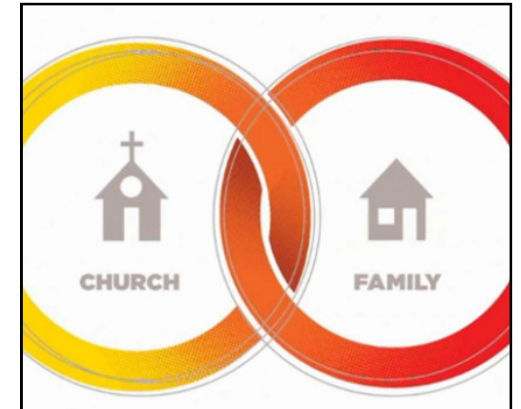

Parents and caregivers can expect to see weekly activity pages that show the Bible story, memory verse, talking points for at home, and more. The same information can also be found on the Gospel Project App [Android](#) and [IOS](#) to make it easier for on the go use.

Kids can also collect weekly trading cards that feature a memorable picture and the important things to remember from the Bible story of the week. By the end of 3 years, each kid will have their very-own Bible go-to guide that can be easily taken with them! Missed a week or new to us? No problem! We'll help your Grace Kid fill in any cards they need.

Grace Family Nights

Kid's of all ages and their families are invited to join us for these special events. Movie Nights, Glow in the Dark fun, and much more! Be sure to watch Grace's calendar for event times and details.

We are Better Together

At Grace, our staff and volunteers are here to support your family. We encourage parents to expect their children to grow spiritually at church, as well as at home. Spiritual development, just like all other kinds of development, takes place both at church and in everyday life. Our aim is to be a support and resource for parents. We are always better together!
