LENTEN JOURNEY 2021

THEME: "UNITY"

The etymology of the word Lent is agreed on by many scholars. In earlier times, the English word Lent carried the meaning of springtime. As the Lenten Triodion poetically asserts, "Lent signifies not winter but spring, not darkness, but light, not death but renewed vitality. Dr. William P. Saunders, Professor of Theology at Notre Dame University's Graduate School says that "the Anglo-Saxon word *lectentid* literally means not only springtide but was also the word for March, the month in which the majority of Lent falls. Lent is also a time for personal spiritual reflection and challenge. It is a time to be sensitive to the prodding and leading of the Holy Spirit as we seek to enjoy deeper communion with Christ and closer fellowship with one another.

This year, our theme for Lent is **UNITY**. If we are to continue to be "the Church Where the Spirit of Unity Abides" then we must shed light on what is required in order to unify. We hope that these lessons will stir the souls of all of those who dare to pursue a deeper relationship with Christ and healthier relationships with one another.
