**My Purpose**  
**by Herietta Heron**

To be a little kindlier  
With the passing of each day;  
To leave but happy memories  
As I go along my way;  
To use possessions that are mine  
In service full and free;  
To sacrifice the trivial things  
For larger good to be;  
To give of love in lavish way  
That friendship true may live;  
To be less quick to criticize,  
More ready to forgive;  
To use such talents as I have  
That happiness may grow;

To take the bitter with the sweet,  
Assured 'tis better so;  
To be quite free from self-intent  
Whate'er the task I do;  
To help the world's faith stronger grow,  
In all that's good and true;  
To keep my faith in God and right  
No matter how things run;  
To work and play and pray and trust  
Until the journey's done.  
God grant to me the strength of heart,  
Of motive and of will,  
To do my will and alter not  
His purpose to fulfill.

The words of this poem truly express the thoughts of the women and men in the We Sew Love Quilting Ministry. Each piece of fabric we use has a loving memory attached or will create a loving memory. It's sometimes a fresh new piece we have found or an old favorite from our material stash. Slowly the fabrics blends together into a work of art. The result of our efforts may be to achieve a specific purpose or to just bring a smile to the face of a loved one or anyone who sees it. Some of us have found time during this pandemic to work with our hands for ourselves and others.

We have missed sharing our work with you. Following are some items we would like to share. We pray you are well and hope these pieces bring a smile to your faces.

Looking forward to the time we can be together again.

Blessings to All, "We Sew Love" Quilting Ministry
