Grand Opening

Dear Friends and Partners,

Thank you so much for all your love, prayers and financial support. The Grand Opening Ceremony of the 29,041 Sq Ft school and orphanage went very well on January 26. The State Governor was represented by his Commissioner for Education. The occasion was well attended. Those in attendance were very pleased that friends and supporters like you helped these vulnerable and helpless orphans by giving them a home and an educational Institution, the kind that is not anywhere around this place. Thank you so much for making this happen.

It is heartwarming to inform you that we now have 100 students at Abundant Living Christian Academy and 48 orphans taking residence with registration still taking place.

This is a giant step of faith but believe that our Faithful Covenant keeping God will provide what it takes to run this great program.

These children, ages 2 - 16, have never experienced tiled floors or showers and three meals a day. They are excited beyond belief and don't ever want to leave.

We are so thankful for your partnership and financial blessings that have helped in the building & opening of Okeunyi School & Orphanage.

Completion of building, with children & new beds that have been supplied.

John & Sally Stevenson, Global Action Int'l Ministers, were in Aba Nigeria for the Grand Opening. We are thankful for their care as they were given 24/7 security.

HOPE FOR THE NATIONS

The heartbeat of our mission at Global Action International is taking the message of good news around the world so that many will be transformed and laborers will be equipped for service.

As we hear the headlines of the day it seems that most of the news is one of no hope --- there's nothing that we can do --- we just live a life of despair. You and I are free to choose the attitude with which we will confront life.

We can face the future with fear and foreboding, or we can trust in the God that has sustained us through the years and has promised us that he will never forsake us or forget us regardless of our situation.

There is a beautiful story in the book of Genesis. Abraham, who is still called Abram at this point, is complaining to God that he has no heir to take over his house. We read that God brought Abram outside and said to him, "Look at the heaven and number the stars, if you are able to number them." May we look up as Abraham did for the promise. That is the call God always gives to us. The Psalmist tells us to look up, our HELP is from the Lord - our GOD of HOPE

The God of Hope is the Message this ministry is sharing in a troubled world. Because you care, we are able to encourage those with whom we work. Yes, the message of Good News and Good Will for all people.

Because of you, we are able to bring Hope ...
.....To Make A Difference to the nations.

With a grateful heart,
Dwayne E. Lee
