Making a Difference!

Dear friends,

First, I want to wish you all a HAPPY NEW YEAR. The holidays are over and we begin the journey of another blessed year. I am so thankful for all that God is doing through the Global Action ministries around the world.

Our theme is "Making a Difference!" and we desire to carry that theme out in a great way. This can only be done by people like you standing with us in the gap to reach out to a hurting and needy world. In this letter you can see places where your prayers and financial support are making a tremendous change in lives. Last year was the best year of all in this ministry.

I wish you could read and hear the reports that come to us. The spiritual and physical miracles that are shared are so uplifting. I can say thank you for all you are doing but someday you will hear the words "Well done good and faithful servant" from the Lord himself. May God abundantly bless you this year and give you the desires of your heart.

MEXICAN-STYLE CHRISTMAS IN THE DUMP

Before Christmas GAI Mexico directors, Saul & Faby, with a group of students from the Bible School, went to the dump where young & old are separating plastic, aluminum and cardboard. Even though it was raining a tent was erected and Christmas food and hot chocolate was provided. As they ate they were told of Christ's love.

The group was amazed how they showed such an interest in receiving the Word of God into their lives.
