

Christmas 2016

Dear Friends,

I was pastoring in Florida and a huge event was about to happen that I could not miss seeing. I drove to Cape Kennedy and since there were no hotels available I took a sleeping bag and spent the night on the beach along with thousands of others waiting to see the rocket that would carry the first man to step foot on the moon. I will always remember the blast off and the thrill of seeing the rocket carrying Neil Armstrong to be the first "MAN ON THE MOON". Something so startling happened that it has fascinated the world ever since.

That first Christmas night in Bethlehem the headlines should have read "GOD ON EARTH". This was something so startling that the world has never been the same since.

When Jesus was preparing to come to this earth what could he have asked the Father... "What will I tell them?" The Father put His arm around the Son and said, "When you get down there all you need to do is just tell them I love them...that is all. Just tell them that I love them." He so loved the world..meaning you and me...and all of us...that He gave His Son. You have shown HIS LOVE by reaching out and telling the nations of this wonderful LOVE

On behalf of GLOBAL ACTION INTERNATIONAL, I want to thank you for your financial support that helps us continue in our mission to let people know of the Lord and Savior that came to this earth 2000 years ago to set men free and give them a new life. Today, with financial pressures abounding across the country, we are looking to the Lord and our friends and supporters to keep us on track and moving forward. I wish you could be with us as we feed the hungry, give medical assistance, build schools and churches and truly MAKE A DIFFERENCE in so many ways. GAI relies on your faithful support to continue making a difference in so many lives around the world. The generous support of individuals like yourself make it possible to bless many this Christmas.

This Christmas we celebrate His great love and we share that great love with others. Thank you for being a part of this ministry to a hurting world.

My prayer is that you and yours will have a very blessed Christmas and together we can sing.....

**"JOY TO THE WORLD, THE LORD IS COME."**

Dwaine E. Lee,  
President, Global Action International
