Making a Difference

We're thankful for YOU—OUR PARTNERS

Thanksgiving became a national holiday at a time in American history when Americans were prone to see their rich country--and their good fortune to be born in it—as a direct gift from God. They spoke of the heritage of the pilgrims who gathered after the first harvest to thank God for the bounty that was theirs. According to tradition, their good friends the Indians, brought turkeys and venison and together they enjoyed a great feast in primitive Massachusetts.

Someone once remarked that the worst of all possible moments for an atheist is to feel truly thankful and have no one there to thank. In 1 Thessalonians 5:16-18 the Word says

“Be joyful always; pray continually, give thanks in all circumstances, for this is God’s will for you in Christ Jesus.”

I am grateful that we do know who our blessings come from.

As I look over this past year and the ministry of GLOBAL ACTION INTERNATIONAL, I can truly say I thank Him for all His blessings and enabling us to be His hand ex-tended to a hurting world. Because you have a vision and have compassion for others, we have truly been able to MAKE A DIFFERENCE in lives around the globe. You have fed the hungry, providing healing through medical clinics, built Bible schools, enabled the Word of God to be preached in various nations. On behalf of myself, the directors of GAI and the national overseers, I want to thank you for your financial gifts and prayer support that enabled GAI to obey His Word - to go into all the world and take the good news to the nations.

I pray for a **wonderful Thanksgiving** for you and yours. May His blessings be abundant in your life.

With a grateful heart.
