

REACHING OUT TO THE CHILDREN OF THE WORLD

We are reminded of this old song....

"Jesus loves the little children, All the children of the world.
Red & Yellow, Black & White, They are precious in His sight.
Jesus Loves the Little Children of the World."

With your help, this is what Global Action International is doing around the world to make a difference in the lives of children.

Dwaine & Joanne Lee

India.....We have the joy of providing care for 160 children in a wonderful orphanage...In another part of India we go into 100 villages and provide Children Outreaches and free medical care.

Nigeria....A wonderful new orphanage and school has recently been completed in Nigeria. Many homeless children who have been living in the bush & villages now have a home and education.

Mexico.....We have been asked to go to the schools in Mexico to share with the children. City wide outreaches have reached thousands of children.

South Sudanese Refugees....Through our outreach programs we provide teaching, food and medical care to refugees who are fleeing the tribal atrocities of South Sudan. Many children are displaced.
