Making a Difference

## Improving life

Groups have traveled to Promised Land Ministries in GUATEMALA. Team members build new houses with water filters and vented concrete based stoves. This will prevent respiratory problems as most families cook with an open flame filling the house with smoke. .

Many patients are seen by the doctors, programs for the children and ladies are learning skills that will produce income. Roberto, Ita & Jorge Santizo , directors of Promised Land Ministries are grateful for all who have shared their gifts and ministry.

## Hungry for Truth

Madhava, Director of Mercy & Grace Charitable Trust in INDIA minister to orphaned children and women of the community providing sustenance and spiritual guidance, education and housing for the orphans. Global Action International helps provide for the needs. Searching for the truth - all were provided with BIBLES See the Bibles still packaged at the bottom of the picture.

## First Graduation

The school (Abundant Living Christian School) & orphanage that you helped build in NIGERIA had their first graduation

There were 41 children in the first 3 classes that graduated.

Village Destiny Development Center (orphanage & school) will be adding grades and students.

Pastor Friday & his wife, Precious, thank all who made this happen.

Thank you for your partnership to bring HOPE.

## Our Biblical Mandate

Is it not to share your food with the hungry and to provide the poor wanderer (refugee) with shelter...when you see the naked, to cloth him... if you spend yourselves in behalf of the hungry and satisfy the needs of the oppressed...the Lord will do you always; He will satisfy your needs... and strengthen you."

Isiah 58:6-11

Your giving has helped us fulfill the above scripture We want to thank you for all you have done in helping Global Action Int'l and our partners across the globe
