

GLOBAL ACTION INTERNATIONAL

BACK to SCHOOL
around the WORLD

School has started for most countries and Global Action has partnered / helping with several.

During our travels we see the need and know the benefit of a high-quality education early in a child's life. If these children can continue their education it will lead to continued success later in school, at work, and leads to a better life.

- ◆ Donations of school uniforms have been given .for children in Mexico..
- ◆ Education sponsorship for children.in Guatemala & Nigeria,
- ◆ School supplies purchased for 241 students in India .
- ◆ Spring of Hope School in Guatemala rated one of the best in the country.
- ◆ The newest school started one year ago, in Nigeria, and had their first graduation.
- ◆ Global School of Theology continues to expand.

Mercy & Grace - School in India has 241 students. Each has received their school supplies.

Abundant Living Christian School in Nigeria had their first year of school and first graduation.

Streetside Live is a ministry of Global Action International, and strives to make a difference in the lives of CHILDREN. We are asked to bring the message of character values to schools.

Kenneth Hoole, Global Action Int'l Vice President, just returned from Haiti & the Dominican Republic. He was the speaker at 4 commencement exercises.
