

## STORIES OF LIVES REWRITTEN

**YOU HAVE HELPED IN THE LIVES** of these children at ODDC -

**Okuenyi Orphanage & Destiny Development Center**

These children have come from various parts of Nigeria, They didn't come with happy faces and were uncertain of where they were and what was to come. Each have different lives with sad stories to tell of their --

**abandonment, rejection, destitution & abuse.**

These are Orphaned and Vulnerable Children who have been admitted into residence at ODDC.

However sad their story, it is being re-written. Smiles are breaking forth on their faces, which is simply the effect or results of the kindness and love that has been given them. YOU have sown into the lives of these children through your donations and prayers. We thank you for your care and concern
