

January 2018

Dear friends,

First, I want to wish you all a HAPPY NEW YEAR. The holidays are over and we begin the journey of another blessed year. I am so thankful for all that God is doing through Global Action ministries around the world.

Our theme is "Making a Difference!" and we desire to carry that theme out in a great way. This can only be done by people like you standing with us in the gap to reach out to a hurting and needy world. You can see places where your prayers and financial support are making a tremendous change in lives.

I wish you could read and hear the reports that come to us. The spiritual and physical miracles that are shared are so uplifting.

I can say thank you for all you are doing but someday you will hear the words "Well done good and faithful servant" from the Lord himself. May God abundantly bless you this year and give you the desires of your heart.
