Global Action - INDIA

Come unto me all you who are weak and heavy with burdens.

These are pictures of what is happening through your prayers and support. Many have been helped physically and spiritually in the many villages where there is no physical help. Each week doctors and nurses give of their time along with volunteers. Old and young come, standing in line to receive doctor's care. There are other volunteers who are scheduled to counsel and pray for anyone who wants. Funds are always needed for medical aid.

OUR BIBLICAL
"Is it not to share your food with the hungry and to provide the poor wanderer (refugee) with shelter...when you see the naked to clothe hm...if you spend yourselves in behalf of the hungry and satisfy the needs of the oppressed... the Lord will guide you always; He will satisfy your needs and strengthen you."
Isa 58:6-11
