

Global Action International

Global Action International believes that education is a key factor to end poverty and hunger.
There are doors and opportunities that only education can open in life.
We are grateful for those who are helping to change lives.

Global Action International wants to **HIGHLIGHT** Promised Land Ministries' School in San Lucas Toliman, Guatemala. Following is a note from the Sponsorship Coordinators.

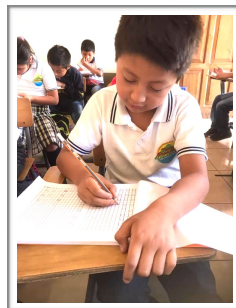

PROMISED LAND MINISTRIES - GUATEMALA

The 2019 school year has begun with 473 students enrolled. We have 366 students that have been sponsored. With their sponsorship they receive school supplies, a meal, backpack, uniform & shoes.

They were very grateful and excited for all you have done for them. To everyone who has made this possible, **THANK YOU!** Thank you for your encouragement towards our children's education.

We appreciate your prayers for our children, teachers, school staff, and sponsors who want to make a difference in our children's lives.
