Acción Global de México /En la Calle en Vivo

Saul Beltran and his wife, Fabi along with their group “Street Side Live” are asked to provide programs in the schools, invite by companies and organizations of Baja, CA, MX, that provide events for children. We are thankful for the Beltran’s leadership and their involvement with the community of Tecate Mexico.

The opportunity for Acción Global de México was given to share at a Children’s Festival with 200 children and their parents . These children who are from homes with low resources were given school scholarships. Street Side Live was requested to present a program and interact with the children. The story of the Good Samaritan, through a puppet show was shared highlighting the value of “what we do is more important than what we say”.
