

Missions

Bacolod, Philippines October 2010

Dear Familia,

With prayerful planning and commitment, our 2010 Missions Team and the familia of Island Hope Guam had the opportunity to bless the community of Angela Hills (Relocation Site) in Bacolod, Philippines from October 14-18. Our first task was a feeding ministry with a mix of song and dance at FF Gonzaga Elementary School. Greeted by the warm welcoming of the children, our team were blessed in return with their existing love for God.

Other ministries were held such as a youth hang-out and adult Bible Study in the home of the Oscianas family positioned at the corner entrance of the relocation site.

Our last and big celebration was during our Sunday Celebration Service that included feedings and a mini-VBS thereafter. Through worship and God's powerful Word, about 229 people (134 kids and 95 adults) gave their lives to the saving grace of Jesus Christ.

It was an incredible experience just being able to serve the community of Angela Hills. Not only were they blessed by God, but we as a team were too blessed as well.

Thank you for your support both financially and prayerfully.

In Christ,
Missions Team 2010
