"Healing Wounded Hearts - Christ-centered solutions for combat trauma."

"Healing Wounded Hearts" is a one-day seminar, which will be held on Saturday, May 8, 2010 in Eugene, Oregon and is based on the "Bridges to Healing" seminar being done nationally by Military Ministry (ptsdhealing.org).

Many veterans are returning from war to jobs in law enforcement. Some of these veterans are undoubtedly dealing with PTSD. Our law enforcement officers

deal with people on the street whose aggressiveness can be directly related to combat trauma.

This seminar will be very worthwhile to those who serve combat veterans, and police and fire department chaplains.

For further information visit: www.eugene-bth.eventbrite.com.

A similar seminar will be held this Saturday,

March 20th near Salem at Macleay Bible Church (9:00 am - 1:00 pm) and March 26th (7:00 - 9:00 pm) and March 27th (8:00 am - 2:00pm) at Damascus Community Church (south of Gresham).
