NEW FOR 2014/2015

AMAZING NEW OPPORTUNITY TO REDUCE ASSESSMENT AND TUITION

Friends & Family SCRIP Groups

Due to recent changes in federal regulations you can now use SCRIP to reduce **Assessment AND TUITION!**

You can now create a group consisting of friends and family members willing to help you reduce your **Assessment AND TUITION!**. This new opportunity has the potential of adding up quickly by using scrip for the **things you already purchase.**

When you find someone willing to help you just add them to your group by e-mailing Ruth Blöse at rblose@bcspanthers.net

No need to send in checks or collect checks from your group members. Each individual will set up their own account with SCRIP as well as their own "Presto Pay" account. Presto Pay is a direct withdrawal from your choice of a checking or savings account. Be sure to set up your "Presto Pay" account at least one week before you place your first order.

The best part is that your family will have the credit from these purchases credited monthly first to your Assessment account **and then to your Tuition account.** Pre-school families without an Assessment fee can **credit their tuition account directly.**

The link for creating an account with SCRIP is
<https://www.shopwithscrip.com/getstarted/register.aspx>

Your group members will also need the BCS Enrollment Code when creating their SCRIP account. That code is:

E65L6F431514

Online orders placed by 10 AM Monday morning will be received by Friday of that same week. Remember these gift cards are the same as cash. They can be sent home with your child but the safest way is to arrange a pick up from the Calvary or Ebenezer offices and deliver them to your family and friends directly!

1. Invite family and friends to purchase SCRIP on behalf of your family.
2. Point your family and friends to our Website at www.bethlehemchristianschool.org and have them click on the Family and Friends Scrip Program on our Home Page
3. Once they click on the family and friends scrip link they will be redirected to a page to create a “user” and “Presto Pay” account.
4. They place and pay for their orders directly online and receive their SCRIP orders at either our Calvary or Ebenezer campus locations
5. Your family receives the credit that is applied to your **assessment AND TUITION** account.

This new opportunity of credits being applied to BOTH your **Assessment AND TUITION** has the potential of adding up quickly by using scrip for the things you already purchase such as:

GROCERIES & GAS

**SHOPPING AT WALMART - K-MART AND HUNDREDS OF OTHER RETAIL
AND ONLINE STORES**

PURCHASING MUSIC FROM ITUNES OR OTHER ONLINE SOURCES
