150 Years
Opening Hearts,

150 Years On

In 1867...

Henry Crapo was serving his second term as the Governor of Michigan. Michigan became the first state to tax property to support a University. (Go Blue!) Laura Ingalls Wilder, Frank Lloyd Wright, and Cy Young were born.

The Order of the Patrons of Husbandry (aka "The Grange") was founded. Yellow fever killed nearly 3,100 people in New Orleans.

The Prohibition National Committee was formed.

The United States took control of Midway Island.

Andrew Johnson was President, having succeeded to office following President Lincoln's assassination. No Vice President took office again until the 1868 election.

The District of Columbia granted voting rights to African American men, despite President Johnson's veto. (Sorry ladies, you had to wait too much longer!)

Secretary of State William Seward purchased Alaska from Alexander II of Russia for \$7.2 million (2 cents/acre). Media at the time dubbed it "Seward's Folly."

Hindsight suggests it was anything but a folly!

An artesian spring began gushing in Fountain Point, MI. It's still flowing!

A Methodist Episcopal Church was founded in Stevensville, MI. It's still going!

I wonder what those who founded this church imagined would happen to the congregation over 50, 100, or 150 years. Did they envision growth such that the old building would be replaced by the space we now occupy? Did they dare to dream, hope, and pray that the 1844 schism in the Methodist Episcopal Church over the issue of slavery would one day be healed? That the M.E. Church North and South would find some way to come back together? We did, but it took (much) longer than the Civil War.

I wonder what the world will look like 150 years from now. What events in that time period will have shaped the world? Our nation? Our state? Our community? Some suggest humans may regularly live to 125 or 150. Society and economies clearly will have changed in ways we can't conceive. What things today will have gone the way of the "buggy whip" or "tall hat" of 150 years ago? Will we have a colony on Mars? Will we have obliterated the planet with nuclear weapons? Will climate change have led to a massive die off of species, including 90% or more of humanity? Who knows. And some would say who cares? And who are we that we can do anything about it anyway?

Well, there's one thing I'm sure of — In 150 years, **Jesus will still be LORD** of all creation. I certainly hope and pray those who follow us will have solved the looming problems of climate change, soil depletion, energy production, clean water, social and political unrest, war, starvation, homelessness, disease, and the list goes on... But of course everything other than the Lordship of Christ, everything else will more or less be in control of humans. In the beginning God made us as Co-Creators, set us free in the world to grow, multiply, learn, build, discover the "secrets" of the creation itself. What we do with all that knowledge that grows at a rapidly rising rate is up to us. Even now. And the same holds true of our church. What we do in the next year or two or five will in be part of determining what the church will become in 25, 50, 100, or 150 years.

We may not be able to turn the world, or the ship of state, or our church 90 or 180 degrees while we remain upon this good earth. But as any sailor, captain, or pilot will tell you, over a long enough distance even a change of 1 degree or a 1/2 a degree can make miles of difference in where you end up. In the eternal scope of things, a change of course by just a tenth of a degree can make billions of miles of difference in the course of a beam of light streaming across the universe! And WE are called to be light! To the world! To the nations! To one another! And to our community!

That's why 150 years ago a group of people founded this congregation. What comes next and is carried forward from here is up to all of us, working together through good and tough times, trusting that Jesus is with us every step of the way.

May the dust from Jesus' sandals cover us all as we seek to walk with Him!

Pastor David

WELCOME
Bishop David Alan Bard
September 10, 8:30 & 11:00 Services

Bishop David Alan Bard is currently serving as Bishop of the Michigan Area of The United Methodist Church. A United Methodist pastor for over thirty years, he has served congregations in Roseau, on the Iron Range, and was from 1998-2005, the Northwest District Superintendent for The United Methodist Church in Minnesota. Just prior to coming to Michigan, Bishop Bard was pastor of First United Methodist Church Duluth, Minnesota, the community he grew up in. He served on a number of regional and denomination-wide boards and committees and was elected to represent the Minnesota Conference at five General Conferences (2000, 2004, 2008, 2012, and 2016). He was elected to the episcopacy in 2016.

Bishop Bard is a graduate of the University of Minnesota Duluth (B.A. cum laude, philosophy and psychology), United Theological Seminary of the Twin Cities (M.Div.) and has a Ph.D. in Religious Studies, with a concentration in Christian Ethics from Southern Methodist University, Dallas, Texas. He has taught courses at The College of St. Scholastica, Duluth, MN and United Theological Seminary of the Twin Cities as an adjunct faculty member. Among the courses he taught are United Methodist History and Polity, Religious Perspectives in Living, Dying and Grieving and Religious Perspectives on Health Care Ethics. He has served on various civic boards, including the Board of Directors for Life House, an outreach program for homeless youth and the St. Louis County Heading Home Governance Board.

In his first sermon as bishop, Bishop Bard said that he wanted his time here in Michigan to be marked by joy, wisdom, love and hope. He is delighted to be working with Michigan United Methodists to make disciples of Jesus Christ so that the world may be transformed. When he is not working, Bishop Bard enjoys walking, reading, movies, music and just spending time with family.

Bishop Bard and his wife Julie are both natives of Duluth, MN. Together they have three children – David L. (Christina), Elizabeth (Michael) and Sarah.

One Hundred Fifty Years of Stevensville United Methodist Church (continued)

Rev. Lloyd Phillips
1969 – 1979

Under the pastoral care of Rev. Lloyd Phillips, we see the church starting to flourish. In January of 1975, the Stevensville United Methodist Church made the final payment on their first mortgage. A Building Study Committee was established April of 1975 to do evaluation of facilities.

C.1978
Drawing of Proposed First Addition
To SUMC on Ridge Road

On September 18, 1975 this committee brought to the Administrative Board these recommendations:

- Updating the heating system immediately so as to provide even and adequate heating for our church.
- Purchase of land for the growth of our church.
- Replacing the present organ.
- Recommended the creation of a Building Committee to better serve the needs of our total congregation, church education, youth, adult and community. Their study indicated needs in the junior and senior choir and other music program area, secretarial work room, education consultant, counseling area; more accessible library; and a large informal greeting area.

Gerald Howard & Pastor Lloyd Phillips
New Church Addition Dedication
August 13, 1978

According to a story in the Lakeshore Courier on August 16, 1978:

"The Stevensville United Methodist Church conducted a ground breaking ceremony August 13, 1978, at the 10:00 a.m. worship service for the new approximately 7,000 sq ft. addition and remodeling to the present church facility. The completed project would provide eight additional classrooms, crib room, combination library/lounge/resource center, enlarge kindergarten room, general office and work room, Pastor study, Christian Education Assistant's office-education work facilities and kitchenette. It would also provide additional parking and more efficient egression."

The cost is \$20.00 for the first child and \$10.00 for each additional child. Please contact Lynn Johnston at 429-1069 for any questions and to reserve your spot.

WE NEED SOMEONE TO MAINTAIN

PEW ATTENDANCE PADS

Is this a ministry you can help with?

This is an important part of keeping track of attendance in our church and keeping the pews stocked with filled pew pads/prayer request cards, sharpened pencils etc. Please contact the church office if you can help.

THANK YOU!

CAN YOU HELP WITH THIS IMPORTANT MINISTRY?

We need someone to be in charge of scheduling those that serve in worship. This is a job that can easily be done from home. You are provided with the names and the areas that need to be scheduled. This is done once every three months. If you are interested or can help with this ministry please contact Sandy Hayes at 429-5328.

Say It With
Flowers

We have some open dates for Chancel Flowers. The following dates are available: Sept 10, Sept. 24, Oct 8, Nov 5 and Dec 10. The clip board is available to sign up on the opportunities table. The flowers are done by H&J Florist and they will bill you directly.

COMMUNION BREAD MAKERS!

Could you help with this ministry? We need someone to make communion bread every other month. It is not difficult and we will provide you with the recipe. Please see Pastor David if you are able to help. Thank You!

MISSIONS FOR SEPTEMBER

The Stevensville United Methodist Church Missions Ministry organizes numerous special funds for mission work to continue. The following missions have been chosen by your Mission Ministry as beneficiaries of your mission giving for the month of September. Your generous giving helps people locally and all over the world! Collections for these missions will occur during the Sunday services or you are welcome to send in a donation to the church.

SEPTEMBER 3 - ARNOLDINE MISSION ZIMBABWE

The Mission at Arnoldine includes a school, church, clinic and farm. Our own Farai Rukunda was born and raised in Arnoldine. He was adopted by the founders of the mission after the death of his parents. Currently we have helped with maintenance on the church building, installed a well for the school, purchased text books and desks. Farai's vision has lead him to form a nonprofit mission to extend the aid to his home town and beyond in Zimbabwe.

SEPTEMBER 10 - CHRISTIAN EDUCATION SUNDAY

"Calls the church as the people of God to be open to growth and learning as disciples of Jesus Christ." Christian Education is not just for children. It is for everyone!!

SEPTEMBER 17 - EMERGENCY SHELTER

Working to end and prevent homelessness in Berrien County, the Shelter provides temporary housing for families and single parents with children. They then assist those families in finding permanent homes.

SEPTEMBER 24 - STEVENSVILLE AND BEYOND

We highlighted this new mission focus in the August Newsletter. To recap: we are looking for opportunities to do mission right HERE and right NOW. Your vision and knowledge are needed. Where should we go and what should we do? People in our own community are needing the love of Jesus!

Thank You for supporting the Missions Ministry of SUMC.

United Methodist Women in Mission

UMW Committee of the Month

United Methodist Women would like to thank Myra Thompson, Sharon Foxworthy, Leanne Nitz and Marcia Williams for serving on the August committee of the month. Your help is appreciated.

At Stevensville United Methodist Church many events are supported by the United Methodist Women (UMW). Each month a group of women volunteer for "Committee of the Month" where they help with funeral luncheons and various meals held at church. This is a vital service to our church family and is greatly appreciated. If you would like to be included on the "Committee of the Month" calendar, please contact Myra Thompson @ 428-0201 or email her @ tntdetailing@gmail.com

A story or a picture along with your recipe would be great!

Do you have a favorite Bible verse of the day or devotion? Drop that in there too!

This cookbook is about you, our members of Stevensville United Methodist Church.

A Quick Reminder From Your Membership Care Team:

Please remember to pray for those in service for our country:

We would like to have updated contact information for those that are serving so we can send them encouraging messages. If you have any information please let Ashlei Horn know. Thank you. education@stevensvilleumc.org or 269-364-8545

UMW SERVICE PROJECTS

Over the summer months, we have been asking for your help in collecting supplies and to sew kimono gowns as part of a collection for the Midwest Mission Distribution Center in Chatham, IL. Our supply bin and sewn kimono gown baskets are getting full! **Thank You Everyone!** We will continue collecting supplies and sewn kimono gowns until September 17th.

The sewn kimono gowns are part of a “UMW Kalamazoo District Challenge” and will be brought to our annual Kalamazoo District Meeting on September 23rd. The Kimono gowns collected that day will be distributed to MMDC. Currently we are over 70% of our goal, so we still have time to reach our goal of 100!

MMDC is a disaster relief facility south of Springfield, IL and is a cooperating depot in the UMCOR Supply Network. They provide opportunities for individuals and groups of all walks of life, denominational backgrounds, abilities, and ages to help provide disaster relief kits and resources as well as educational and medical supplies to those in need both locally and internationally.
