Welcome the new PTF President, Rob Dramov

Hello WHCS Families,

Brenna and I are so excited about leading PTF! It is our desire to help knit the WHCS community of parents and staff together. At the Parent Society meeting, I choked up while speaking about my children at WHCS. This took me off guard, but truly as parents we are very thankful that our kids have the opportunity to go to a school where God is glorified and our kids can talk about Jesus. Knowing that my children spend more time at school than I get to see them during the week is hard, but seeing what they are learning and watching them grow through both good times and difficult situations I know that they are in the right place.

Now a little about the family...our daughter Caitlyn is in the 5th grade (Mrs. Auenson) and Kyle in the 3rd grade (Mrs. Kent). They are both little angels and crave to know more about Him. We also ended up with six animals: three dogs, two cats, and one turtle (We bought a zoo!). Thankfully, Caitlyn and Kyle are faithful little helpers. Our family enjoys camping, swimming, playing tennis, building Legos, and knitting (the kids).

Lastly I just want to again say that Brenna and I are looking forward to carrying on the joy of helping to keep the school a community where people want to come and enjoy their kids. It takes participating at whatever capacity God has for you, it also takes both prayer and action. These are some of the most important years in our children's development. **Let's keep this school bursting with the joy of the most heavenly God! It's through God that this bond between our kids, WHCS staff and parents creates memories that our children will never forget.**

Sincerely, Rob & Brenna Dramov
