

First Year Tuition FREE* for New Families K5 thru 7th Grade

St. Paul's Lutheran School is proud to offer the first year of tuition FREE* to all new families entering grades K5 through 7th grade. We believe that growing disciples begins at a very early age and that our Christian faith has deep roots in our day school. We wanted to provide all new families with the opportunity to experience a Christian education first hand for an entire year - no strings attached.

Once you have joined the St. Paul's family, you will realize that a solid Christian Education with high academic standards, high moral standards and higher expectations for everyone really benefits the entire family, not just the child.

We know that once you join our family, you'll be here to stay!
