

Make up hand motions to help you and your child remember the Main Point: Choose To Use What God Gives To You! See which member of your family can say the Main Point the fastest and still be able to be understood.

Bible Story: The Parable of the Loaned Money.
Matthew 25:14-30

Use It Well

Give each member of your family a different amount of money. Challenge them to use the money to do something for someone else and invite them to church or tell them about God. They could send someone a greeting card, donate money to a charity, take someone to lunch, buy a gift for someone when they are not expecting one, give the money to the church, or two or more of them could put the money together to do something larger. Give them a deadline of when they have to have used the money and have a special report from each family member on what they did with the money and what happened. Remind your family that God gives us all kinds of gifts that He expects us to use wisely to help tell others about Him.
