Christian. Why does that word put a bad taste in some people's mouths? Maybe it's because too many Christians don't know how to follow Christ. Discover the difference in *Christian Atheist*.

Moderator's Moment

2018 Pastor Evaluation:
MCC is required (as per the Covenant/Letter of Agreement between MCC and Pastor Chuck Dorsey dated June 27, 2005) to complete and present an annual written evaluation to Pastor regarding expectations. The purpose of this evaluation is to give our Pastor the necessary tools to perform his job to the best of his ability.

This process has been completed for 2018. An Evaluation Committee was set up by the Moderator comprised of Church Council members. Questionnaires were completed by the ministry

team leaders and those results have been presented to the Committee, Pastor Chuck and to the Church Council. Many good suggestions! Pastor Chuck has indicated to the Committee and Council that he will work to comply with suggestions and/or requests as submitted and also contributed some positive suggestions of his own. The consensus of the Committee and Council is that Pastor is performing satisfactorily.

God's Blessings to you All!
Patty Reynolds
