# our future story

## ***Are you curious?***

In the Fall of 2012, our Board approved entering a process with Dick Hamm and the Columbia Partnership for Congregational Transformation. Thirty-one people from our congregation began meeting faithfully in Prayer Groups just before Christmas and continued into 2013. In those Prayer Groups, the Spirit of God blew through homes and hallways - sometimes gently, occasionally forcefully, always pulling us forward to considering our future – and finding those gatherings to be most rewarding!

We've heard a presentation by Dr. Hamm and we've shared comments.

All the insights and discoveries, all the thoughts, hopes and dreams were harvested – not to be stored and kept on the shelf. But rather, like grapes become wine and wheat becomes bread, the harvest of our conversations and prayers has become a story. **Are you curious?**

On **Thanksgiving Sunday, November 24**, during our morning worship, and immediately following, we will present “North Chevy Chase Christian Church 2020,” our future story. This is not only a premiere you don't want to miss; it is a sacramental moment: it is the embodiment of our work and prayer of an entire year, it is the call we have heard.

Science, Religion and an Evolving Faith

### Weir Lounge Forum Class

"When I have a terrible need of—dare I say, 'religion'—then I go out and paint the stars." Vincent Van Gogh

Celebrating the communion of science and faith, *Painting the Stars* explores the promise of evolutionary Christian spirituality. Featuring over a dozen leading theologians and progressive thinkers, the seven-session program includes a participant book written by evolutionary theologian Bruce Sanguin.

The basic format of the sessions includes conversation around the readings, a 20-minute video presentation and guided discussion.

We want to thank everyone who was able to come and support our End-of-Summer Festival on Sunday, Sept 15th. Many people helped set up and brought dishes that went very well with the bratwursts we served. The Jazz Ensemble was great too. Finally, many people spent time warmly greeting visitors. All told, we had about 82 people for worship, and many of those stayed for the lunch and concert jazz. That was probably the best turnout since Easter! Way to go NC4!

## UPCOMING OUTREACH PROJECTS

**December 29th — 5<sup>th</sup> Sunday in  
December - Comfort Kits for Kids**

In the story of our faith tradition, following the birth of Jesus, he and his family had to make a hasty trip to Egypt to escape the evil designs of King Herod. The family fled in the dark of night. Many children in today's world have to make hasty escapes from abusive homes, or are placed into Child Protective services without benefit of taking their belongings with them. These Comfort Kits will be prepared to often them at least a minimum of security in an often harsh and cold world.

Included in the kits will be things like : a cuddly stuffed animal, "I'm Special" bracelet, stickers, crayons & coloring book (deck of cards for older children), children's books, a "stress" ball, a child's prayer card, a cuddly blanket, small pillow, Snack bars ( NO NUTS), children's band-aids, a toothbrush and toothpaste, shampoo, brush and comb, small flashlight with batteries.

To make monetary or item donations to this project, please bring your donations to the church office during the regular office hours of Tuesdays-Fridays, 9am-3pm; or contact Co-Chairs, [Nancy Longo](#) or [Nancy Solomon](#)
