Southern Ohio District Conference will be held October 6-7, 2017 at Pleasant Hill Church of the Brethren. Registration is now open on the District website. This year's theme, Created to Love, comes from the words of Jesus in Matthew 22:37-40. *"Love the Lord your God with all your heart and with all your soul and with all your mind." This is the first and greatest commandment. And the second is like it: "Love your neighbor as yourself." All the Law and the prophets hang on these two commandments.* Again this year, the pre-conference leadership sessions are open to all. Our guest speakers will be Debbie Eisenbise and Gimbya Kettering. Both are on staff with the Church of the Brethren.

Disaster Ministry Updates

New this year will be a sale of items from SERRV, a fair trade organization working with artisans throughout the world. Remember to bring the coin collection jars that you may have received last year. All proceeds benefit the ministry of S. Ohio BDM, funding volunteers going on rebuilding trips and buying supplies for Church World Service kits.

Golf Scramble – On Saturday, August 12 there will be a Golf Scramble at Turtle Creek Golf Course in Greenville. This is jointly sponsored by BDM and the Camping and Retreat Ministry. You can give support as a golfer or as a hole sponsor. Click here for registration and hole sponsorship forms.

School Kits - It's time to assemble school kits for Church World Service. Our goal is to send 2,000 kits this year. A kit assembly is scheduled for Thursday, August 17 at 7:00 PM at Bullen Ultrasonics, 1301 Miller Williams Rd., Eaton. This is the warehouse location for BDM's storage. We've already sent 200 school kits, but have many more school supplies to purchase. Donations are needed for purchasing these supplies. Please make checks payable to S. Ohio District COB, with a footnote "CWS Kits". These may be sent to S. Ohio District COB, PO Box 785, Greenville, OH 45331.

Sewing Bee – Come sew school bags on Saturday, August 12 at 9:00 AM at Greenville COB, 421 Central Avenue. Bring your sewing machine, an extension cord, and a sack lunch. Both in the U.S. and internationally, Church World Service (CWS) school kits are needed for disaster survivors, refugees, and the economically disadvantaged. New District Deacons Ministry

This year, our new Connections Commission with the District Board, is excited to announce the beginning of a the new District Deacons Ministry. Many of us are familiar with the way deacon ministry functions on a congregational level, now we are learning and creating what the deacon ministry would look like on a district wide level.

Our goal is to comprise a team of fifty or so members paired into twenty-five teams of two who will serve two to three congregations each for three to five years. This team will covenant to pray for, support, and visit their assigned congregations annually.

Keeping in tradition with how deacons were once called on a congregational level, we will be collecting prayerfully considered nominations from the district body. You are invited as a church or as an individual to submit nominations of people in your congregation or of those around the district who would be gifted in spiritual caregiving. For more information on the role and qualifications of a deacon, [click here](#).

Please submit nominations to the District Office via telephone (937-203-5254) or email (sodcob@brethren.org). Once all nominations are collected, a group of former district moderators will prayerfully consider the list and compile a list of possible District Deacons. It will then be the task of former moderators and the District Deacon Coordinating committee to extend the invitation to those selected to join this new ministry.

It is our hope that District Deacon Team will be assembled and trained by this year's District Conference so that we could commission them before our gathering and bless their ministry among us.

.Our next District Board meeting will be held July 29,2017.

As reports become available they will be posted on our website. [Click here](#) to review preceding the board meeting.

Prayer Needs

A very important way we can be supportive of each other is to lift each other up in prayer. The 2017 Prayer List for Congregations is available on the District Website.

As violence, fear, and unrest continues across our world, may we keep lifting our concerns to our God of grace and peace.

- Neil Stackhouse, recurrence of tongue cancer
- Fred Bernhard--released to resume normal activity following his bypass surgery in May. Fred expresses deep appreciation for the prayers, cards, and visits during his recovery.
- Gary Crim, continued recovery from prostate cancer surgery
- The Stony Creek congregation has called Ryan Claybaugh to serve as their new pastor. He is taking the appropriate steps to be licensed.
- Rob Raker, former pastor, still dealing with his heart condition and is continuing to undergo tests to determine the best way forward.
- Lee Saylor, new pastor for Salem
- Larry Tyner's last Sunday as pastor for Prince of Peace was yesterday, Tom Bowser will be serving as interim beginning service the middle of July, Prince of Peace is circulating their profile
- Trinity in negotiations with a pastoral candidate, Arnold Collett is serving as the interim.
- May we remember the possibility of a new church starts in various locations in our district.

There are many issues and situations continuing to face us as we minister in our respective locations, including those who are serving in interim situations and others who are in discernment regarding placement or are considering a move. There are others facing health issues, please keep these situations in prayer.

Please contact me if you know of prayer situations of which I should be aware. May we lift each other in prayer as we continue the work of Jesus . . . peacefully, simply, together.
