

Offering

We will be taking up an offering on Saturday during the worship service.

Bergamo Center

Just a few minutes from downtown Dayton, Ohio, the Bergamo Center is hidden away from day-to-day, city-life hassles. Situated on Mount Saint John and its 150 acres of both beautiful manicured grounds and wooded trails, Bergamo Center is a place to slow down and renew the spirit, refresh the body and expand the mind. Our Lady of Lourdes grotto is just one of many spots on the grounds to spend time in quiet meditation. In fact, many groups comment how they immediately feel the calming effect of the grounds.
