

Church of the Brethren
Passport Program
Self Tour Booklet
of the Southern District of Ohio Churches

God is moving in our midst. Will you listen anew and afresh to the Spirit-- living out the love of Jesus for each of us; finding your place in carrying out the mission to which God is calling you? Together we are greater than the sum of our parts and with the Spirit of God moving, energizing, and inspiring, great, marvelous, and wonderful things will be accomplished. We are in this together; we are God's church known as the Church of the Brethren in Southern Ohio and Kentucky . . . the church with over 50 meeting places throughout this region with more meeting places to come.

Some people in the district have expressed wanting to know more about our brothers and sisters in other churches. They wish to know their locations, members of their congregations, how they worship, and other activities of their church. Some may also want to share their experiences. If this is your desire, the Passport Program will facilitate your goal.

Keeping it simple

This program is meant to be handled as a self tour effort and to minimize the administration of this adventure. No permission is required and can be completed at the individual's own pace.

Quite simply, using the attached list of Southern Ohio District churches, you would:

- identify the church you wish to attend
- look up the address
- check the worship start time
- show up and enjoy the service and the adventure

There are no approvals, confirmations, or advance notices required. Just do it!

This Passport Program document (Microsoft Word) can be downloaded from the SOD website (www.sodcob.org) and will be maintained by the **district office**. **The district will also print copies and make available as requested.**

Benefit to the Church

A common discussion item among all churches is to identify ways to grow and expand membership and participation. The Passport Program can facilitate individual churches to improve their program to welcome visitors and new potential members.

Matthew 10:40 NRSV

“Whoever welcomes you welcomes me, and whoever welcomes me welcomes the one who sent me.”

Matthew 10:40 (The Message)

“We are intimately linked in this harvest work. Anyone who accepts what you do, accepts me, the One who sent you. Anyone who accepts what I do accepts my Father, who sent me.”

Suggestions to enhance the Passport Adventure

Based on the experiences of those who have already started and or completed this program, you may wish to document your visits. Beyond “Just showing up”, we are offering some suggestions to enhance your adventure:

- Take pictures
 - church marquee,
 - the church,
 - inside of the church,
 - members.
- Obtain a copy of the Sunday bulletin, if available.
- Introduce yourself to the pastor, and other members of the congregation and share your participation.
- Obtain a map of the SOD churches and use colored pins to show progress of visitations.
- As a church, use the SOD church map to identify churches visited by members of the congregation and to show churches visited.
- Challenge other churches to see who can complete their visitation map the fastest.
