Prayer Needs

A very important way we can be supportive of each other is to lift each other up in prayer. Click here to download the 2018 Prayer List for Congregations.

--The most current information on the church in Nigeria including prayer needs can be found at www.brethren.org.

-- Rob Raker, continues to deal with heart condition. Is currently hospitalized in Columbus

--May we remember the possibility of new church starts in various locations in our district.

--There are many issues and situations continuing to face us as we minister in our respective locations, including those who are serving in interim situations and others who are in discernment regarding placement or are considering a move. There are others facing health issues, please keep these situations in prayer.

Please contact Dave if you know of prayer situations of which he should be aware. May we lift each other in prayer as we work to continue the work of Jesus, peacefully, simply, together.
