

PROGRAM AND ARRANGEMENTS COMMITTEE
District Board Report
May 4, 2019

Committee members: Mary Boone, Sandy Jenkins, Lori Keller, Barb Sayler, Ben Kraus, Dave Shetler, Isaac Zika and Carl Eubank

The Program and Arrangements Committee met on April 4 to continue planning for our District Conference. We began our meeting with a devotion followed by a prayer.

District Conference will be held at Happy Corner COB on October 11 and October 12. The District Conference Theme is "God Provides". The scripture context is Philippians 4:19 "And my God will meet all your needs according to his glorious riches in Jesus Christ". Brian Messler, Lead Pastor of the Ephrata COB will deliver the uplifting Friday evening message.

The following page contains our conference logo.

The committee has decided that the education portion (CEU's available for pastors) of District Conference will focus on Stewardship Education. The committee has enlisted the help of the Resource Development Team to coordinate these educational sessions provided by Brethren Benefit Trust and the Ecumenical Stewardship Center.

The following list contains some possible business items at conference:

- Seating of Delegates
- Affirmation of Slate
- Budget Presentation
- Resource Development – Report on Grant Recipients
- Board Report – Jennifer Keeney Scarr
- Denominational Agency Report
- Update on Withdrawal Process
- Short worship sessions interspersed throughout business session
- Brian Messler sermonette tying Friday evening worship to Saturday worshipful work

We will share more information as it becomes available.

Our committee would like some feedback from the District Board concerning an extended conference format. This format would include a Sunday morning when we could all worship together. Those churches not wanting to cancel their Sunday morning service could join in the district-wide worship via live stream or Zoom. Offerings that day could fund district ministries.

If you have any suggestions for District Conference, please share them with our committee.

Our next Program and Arrangements Committee meeting will be held at Happy Corner COB on May 15 at 6:30 P.M.

Respectfully submitted,
Carl Eubank, District Moderator
