"ALL OUR NEEDS SUPPLIED"

Imagine the reaction you would get if you were to contact your favorite on-line site and say, "Send me the clothing I need, in my favorite colors and fabrics, everything to fit exactly. Oh, and make this all free of charge!" The people at customer service would think you were pranking them!

Jesus, however; teaches us to pray exactly this way. He teaches us to ask Our Heavenly Father to give us everything we need, purely out of His own goodness and mercy towards us. His prayer also reveals that our greatest needs aren't those of the body, but of the soul. Six of the seven petitions in the Lord's Prayer asks for gifts that build and strengthen our life with God.

God alone meets our needs perfectly! Where faith is lacking, He supplies faith. Where health is poor, healing and joy makes us wealthy. Because we needed a Savior to redeem us from sin, He sent us His only Son to die on the cross for us. He reconciled, that is, made us right with the Father. Through Jesus, the Son of God, we confidently pray to our dear Father in Heaven.

Blessed June & July to you!

Pastor Francis L. Schroeder

Rose Marie Herring
Holy Cross Lutheran Church - Nederland
2711 Helena
Nederland, TX 77627

Dear Rose Marie:

Thank you for your efforts in hosting a Holy Cross Lutheran Church - Nederland blood drive. Our community blood supply could not exist without volunteers like you. Coordinating and planning a blood drive involves dedication and is a true team effort. I extend my gratitude on behalf of LifeShare and the community.

The primary use for donated blood is to help cancer patients; however, other needs are also common right here in our community. Blood is often life-saving during surgeries, as treatment for those with blood disorders, following a trauma accident, during childbirth, and in many more situations.

Because of your support, 19 donors selflessly came to give 17 blood products for the community supply at the Holy Cross Lutheran Church - Nederland blood drive on Wednesday, April 19, 2017.

We look forward to this partnership in continuing to save lives together. If you have any suggestions or feedback, please contact me at any time.

Sincerely,
