Peter James and John in a sailboat

Peter, James and John in a sailboat,
Peter, James and John in a sailboat,
Peter, James and John in a sailboat,
Out on the deep blue sea.

Fished all night and caught no fishes,
Fished all night and caught no fishes,
Fished all night and caught no fishes,
Out on the deep blue sea.

Christ came walking down by the water,
Christ came walking down by the water,
Christ came walking down by the water,
Out on the deep blue sea.

Now their nets are full and breaking,
Now their nets are full and breaking,
Now their nets are full and breaking,
Out on the deep blue sea.

Called their friends to come and help them,
Called their friends to come and help them,
Called their friends to come and help them,
Out on the deep blue sea.

Out on the deep blue, Out on the deep blue,
Out on the deep blue ... SEA!

This little Gospel light of mine,
I'm gonna let it shine.

I'm gonna let it shine,
Let it shine, all the time, let it shine.

DON'T BE A TURKEY, JUST SAY THANKS

Words and music by Jim Wideman ©1988, 2012 Dried Rose Music

Don't be a turkey just say thanks
Don't be a turkey just say thanks
Don't be a turkey just say thanks
Be thankful in your heart for everything

Don't be a turkey just say thanks
Don't be a turkey just say thanks
Don't be a turkey just say thanks
Be thankful in your heart for everything

Ten men with diseases Came one day to Jesus
He healed them and then told them Go to the priest and show them
All ten walked away But only one came back to say
Oh thank You, thank You, thank You Lord Jesus

Don't be a turkey just say thanks
Don't be a turkey just say thanks
Don't be a turkey just say thanks
Be thankful in your heart for everything

Don't be a turkey just say thanks
Don't be a turkey just say thanks
Don't be a turkey just say thanks
Be thankful in your heart for everything

Many people still today Don't remember what to say
When Jesus answers prayer And shows us how much He cares
So every single day Don't you forget to say
Oh thank You, thank You, thank You Lord Jesus

Don't be a turkey just say thanks
Don't be a turkey just say thanks
Don't be a turkey just say thanks
Be thankful in your heart for everything

Don't be a turkey just say thanks
Don't be a turkey just say thanks
Don't be a turkey just say thanks
Be thankful in your heart for everything
Be thankful in your heart for everything
Be thankful in your heart for everything

God is Big

God is big God is big - God is very, very, very, very big
 God is big God is big - God is very, very, very, very
 Very, very big! (2X)

God is bigger than a lion Stretched out from tail to noes
 He's bigger than an elephant Who's on his tippy toes
 He's bigger than the biggest whales that swim in the biggest seas
 In fact compared to God They're ever tinier than fleas

God is big God is big - God is very, very, very, very big
 God is big God is big - God is very, very, very, very
 Very, very big!

God is bigger than a mountain
 That seems to touch the sky
 He's bigger than the brightest stars
 That twinkle every night
 Now think about a hundred billion Planets if you will
 The God who made the universe
 Is even bigger still

STOP SONG AT INSTRUMENTAL

If God was really big And He was very bad
 I think the whole wide world Would be very, very sad
 And if God was really good But He was very small
 Just possibly there might not be Any miracles at all But...

God is big God is big
 God is very, very, very, very big
 God is big God is big
 God is very, very, very, very
 Very, very big!

God is big God is big
 God is very, very, very, very big
 God is big God is big
 God is very, very, very, very
 Very, very big!

Humungous. Gigantinormously. Very Big
