

# KIDS CAMP LICE CHECK

**BRING THIS FORM WITH YOU TO CAMP**

CHURCH NAME: \_\_\_\_\_

CHURCH CITY: \_\_\_\_\_

Students are required to have a head check for lice BEFORE registration on the first day of camp. Being checked for lice at camp should be avoided if at all possible. Please have a lice check at your church BEFORE leaving for camp. If you **suspect** a camper might have lice, check early enough so the camper and items brought to camp can be treated before camp. Have a qualified person (teacher, nurse, etc) give each child a thorough check and sign this form.

If a case of lice is discovered during camp, depending on the severity of the case, the camper may be sent home. If the case is not severe, and is isolated, we will ask a leader from the church the camper came with to treat the camper and their belongings.

**PLEASE NOTE: A \$10 fee per child will be charged to the church for all lice checks performed by camp staff and will create an extra wait before you can register.**

**List all campers on this form that have been checked for lice prior to arriving to camp. Duplicate form as needed.**

-----

I have checked each camper listed on this form for lice and they are lice free. I understand that if campers are brought to camp with lice, they may be sent home at the expense of the parent and/or church.

Signature of qualified person checking for lice:
