The Rangers Ministry Academy strives to provide practical and essential training to all commanders and leaders alike. We are excited to introduce our latest requirements for our LMA to OLAL Advanced Level transition.

To qualify for this transition, all current LMA requirements will need to be submitted by December 31, 2010. The additional transition requirements will need to be completed by December 31, 2012. The completed Transition Application will need to be received at the national Royal Rangers training department by January 31, 2013.

My prayer for you is that God richly blesses your efforts to "mentor future men."
