What impresses you most about Daniel—from what you know of Him?

How and why were these young men chosen for the king’s special service?

What are things from the message and this discussion that God has revealed to you? How can we pray for you?

 **PRAY IT:** *Now that you have connected, explored and applied it—it is now time to tap into the power of prayer individually throughout the week as well as corporately praying for one another. Perhaps by sharing the real life challenges and blessings with one another this will help people see what God can do in their lives and will lead them into a plan of action.*
