What women leaders have made an impact in your life?

When have you been thrust into service or taken on a responsibility in an unexpected way or at an unexpected time? How did you respond? What happened?

Why does God want us to be courageous? How does courage impact our spiritual life? What is something God is calling you to do right now that you need to say "yes" to?

Am I willing to go into battle—trusting God to see me through the victory?

Noah's Wife

If you were Noah's wife how would you have felt about everything?

What do you find amazing about this story?

Who has been your biggest fan?

Am I living a life that can be counted on by God and those around me?

Woman Needing Healing

How does this woman act on faith?

How have you personally experienced fear and faith in your life?

In what areas of your life do you need to ask Jesus boldly for grace and healing?

How can we specifically pray for you today?

 **PRAY IT:** *Now that you have connected, explored and applied it—it is now time to tap into the power of prayer individually throughout the week as well as corporately praying for one another. Perhaps by sharing the real life challenges and blessings with one another this will help people see what God can do in their lives and will lead them into a plan of action.*
