

What Are LifeGroups?

While God has blessed Northlake Community Church with wonderful worship and teaching during our Sunday morning worship services, we realize the biblical need for a small group environment where people can really connect with others. An opportunity to experience “community” for building relationships, accountability and spiritual growth is essential for life change. We call those small group opportunities...

What Is Their Purpose?

LifeGroups exist to connect people in Biblical Community so that no one stands alone. In our LifeGroups, we want to study God's Word, pray together, care for each other, and serve together.

How Do I Join A LifeGroup?

Find a group that meets when and where you can meet and give the group a try—just give the LifeGroup leader a call. Don't be shy; we look forward to you becoming involved in a LifeGroup.

Want To Form Or Lead A LifeGroup?

Call the church office, 671-9500
or email: lifegroups@northlakeonline.org
