

HOW TO PRAY DURING THIS TIME

“And we know that for those who love God all things work together for good, for those who are called according to his purpose.” Romans 8:28

- Pray the Lord give us teachable hearts to help slow down the transmission of this Corona virus, and that churches, agencies, businesses, government leaders provide godly guidance.
- Pray the Lord reveals to us how we can encourage, care and reach out to our church friends, neighbors, co-workers, and those in our circles who may be in need.
- Pray for our Health Care Providers, that the Lord give them protection, wisdom, stamina, and rest,
- Pray for the Lord to protect those who reside (and those who are working) in Nursing Homes, Assisted Living Complexes, Rehab Centers, and Homeless Camps.
- Pray for your Northlake leaders and all church leaders in our community as they try to figure out how best to meet the needs of their congregations.
