

February Newsletter from the Director

Dear Parents,

Love is in the air! It's always a pleasure to see the children get so excited about Valentine's Day and giving those sweet little notes to their friends. This month we will be teaching the children about sharing and caring. Giving a hug or a smile can really brighten someone's day. This also supports our Bible and chapel story of the Good Samaritan and helping others.

We have fabulous plans for February! Our classroom themes are: "Famous authors, sweet Valentine's and playful pets." Children will also learn about and celebrate Ground Hog Day and Valentine's Day.

Just a few reminders about this year's registration process, please share this information with any friends or neighbors who may be interested in attending our wonderful preschool program for next year. Registration will begin Friday, February 3 at 10:00 am in Fellowship Hall. If you can't make it on Friday, you can bring in your registration form the following week. Rest assured, we will have class availability for all Young Days children and siblings. Open registration for the community will begin on Monday, February 13. Please be prepared to submit the \$125 registration fee.

Young Days will be sponsoring a "Sweetheart" parent's night out, Tuesday, February 14 from 6:00 pm -8:30pm. We had such a huge response to our Pizza Party so we have decided to have another one on Wednesday, February 29.

Our center has an open door policy, we are happy to have parents and caregivers come into the classroom and spend time with their child and friends!

Sincerely,

*Jackie Kaller*
