

# HELP FOR HAITI

The East Lake UMC Tithe Fund is being used to purchase supplies for health kits. The kits will be assembled between church services in early February. If any group or individual wishes to purchase and assemble additional Health Kits, please bring them to the church so all kits from ELUMC can be shipped together.

## Health Kit

Value: \$12 per kit

### KIT CONTENTS

Place these items inside a sealed one-gallon plastic bag.

- 1 hand towel (15" x 25" up to 17" x 27", no kitchen towels)
- 1 washcloth
- 1 comb (large and sturdy, not pocket-sized)
- 1 nail file or fingernail clippers (no emery boards or toenail clippers)
- 1 bath-size bar of soap (3 oz. and up)
- 1 toothbrush (single brushes only in original wrapper, no child-size brushes)
- 6 adhesive plastic strip sterile bandages

(NOTE: UMCOR Sager Brown is now purchasing toothpaste in bulk to be added to health kits before shipping to ensure that the product does not expire before it is sent. Please include \$1 for each kit you send toward the purchase of toothpaste.)

### Important Kit Assembly Information

- All items included in kits must be NEW items.
- All emergency kits are carefully planned to make them usable in the greatest number of situations. Since strict rules often govern product entry into international countries, it is important that kits contain only the requested items—nothing more.
- Do NOT include any personal notes, money or additional materials in the kits. These things must be painstakingly removed and will delay the shipment.
