Adult Sunday School

Young Adults

Teacher: Jon Baker
Email: jhbaker@ashland.com
Phone: (502) 695-0139
The Young Adult class is designed for College age up through the time you still feel comfortable being called a "Young Adult"! We discuss the Bible and focus on making God's word our foundation as we establish our careers and families. We strive to share and encourage one another in making God a part of our everyday life. We have great discussions about overcoming temptation in today's society and standing out in this world for Jesus.

Shepherd's Flock

Teacher: Gary Penn
Email: GaryPenn@fewpb.net
Phone: (859) 325-5781
The Shepherds Flock Sunday School Class is open to all ages couples or singles. We are learning about Christian Apologetics "to make a verbal defense." Many times we experience controversial issue in our every day lives. How do we as Christians know how to respond? What does the Bible say? How can we defend our faith? And should we?

Discipleship 101

Teacher: Judy Tabor
Email: bjtabor@fewpb.net
Phone: (502) 682-1186
Teacher: Lewis Seward
Email: cilly4u@aol.com
Phone: (859) 233-2097

Discipleship 101 is co-taught by Lewis Seward and Judy Tabor. The teachers actually serve more as facilitators of class discussion rather than lecturers. While class participation is encouraged, no one is ever embarrassed by being called upon to read aloud or speak. Instead, class members volunteer on their own accord to speak or read aloud.

Various topics are studied and are identified primarily by class members. The Bible is the main resource for study; however, books, booklets, and handouts are also used.

The class is very diverse with the age range of class members spanning from the twenties to the sixties, and perhaps beyond. The class

consists of both singles and couples.

This class has put into place a "Dinner for Eight" program where class members can socialize and fellowship on a more personal level to get to know one another better. On average, there are usually at least two class-wide social events per year—the Evening Primrose Party and a Christmas Party.

The class has an active email list in which weekly prayer requests are sent out and announcements made. Truly, this is a class for anyone who wants to learn more about Christ, grow in his/her Christian walk, and get to know fellow Christians.

Encouragers Class

Teacher: Mike Miller
Email: mandmill@msn.com
Phone: (502) 695-7040
The Encouragers class focuses on studies that are both biblically sound help the individual to develop a

closer relationship with God. Study materials range from actual studies on the various books of the Bible, to recent books that bring the message into modern times. We strongly believe that God is still very active in our day to day lives, and through class participation and the sharing of views God has placed on our hearts and minds, we will be able to see a clearer picture of what He has planned. We invite anyone who is interested to attend our class. There is no set age limit, and all are welcome. We look forward to new member, and to returning members who are looking for a change of pace.

GAP (God's Always Present)

Adult Sunday School (Continued)

Friendship Class

Teacher: Nola Reed
Phone: (859) 873-4996

Our class consists of all women ages 50 and up. We have 10 enrolled and would like to invite more. Even though we are small in number, we are abundant with love for our Lord and our church and we have great love and concern for one another. We share many joys and sorrows. We send lots of cards and help out other ministries in the church with monetary gifts. We share small gifts with one another on most holidays. We study the Lifeway material and try to apply it to our everyday life.

Senior Couples

Teacher: Dan Arnold
Email: danshr712@yahoo.com
Phone: (502) 330-9367

The Senior Couples class was initiated as a place where senior couples might engage in Bible Study together, but anyone is welcome to become a part of this group. The class is interactive with discussions centered on lessons from the Lifeway material. Bible study with the goal of increasing our knowledge and the depth of our understanding of God's word to us in His Holy Scriptures is the main goal of this class. As we work toward this goal, class acquaintances become Christian friendships and class interactions often turn into outside activities together.

Phone: (502) 352-1879
Teacher: Barbara Jones
Phone: (502) 695-2504

A loving, caring group of women, close to each other and very welcoming of new comers. This is a very good place to meet other women and make lasting friendships. We use the Baptist Sunday School literature which is very timely. We have a Christmas luncheon the first part of December, a very enjoyable time of food, fun and fellowship. We contribute to "Coats for Kids" every year and to other projects

of special need as they arise. It has been said that if you need food this is the class to contact.

Children's & Youth Sunday School

Nursery (Birth to 1 year)

Teachers: Randy & Angie Wright

Assistants: Madleen Perkins, Jennifer Whitaker

We are blessed to be able to help out and make you feel very comfortable leaving your children with us so you can concentrate on lessons during your class. We have a great group of teachers and they all love to work with and care for the babies. We sing and read books about Jesus to all the babies while playing games and sometimes just holding them. We know this age group is very young and don't understand everything we do, but we want them to hear the name "JESUS" as many times as possible.

1 & 2 Year Old Class

Teacher: Robin Harris
Assistants: Kim Bemis, Brian & Lorrie Devers, Katie Bratton, Leslie Mahoney, Jeff Mulder

The 1-2 year old Sunday School class is an open and inviting place to bring your toddlers to share in God's love and begin their Christian education. Staffed by a regular rotation of dedicated volunteers your child will be supervised and taught in a developmentally appropriate atmosphere using a curriculum based on the Bible using music, toys, games and activities that are targeted specifically to your toddler's needs. Each volunteer has passed a thorough background check as well. Every Sunday morning you will be asked to sign in your child and provide a contact number so that we can contact you in case of an emergency. We will be sure to adhere to any special dietary needs your child may have during our

snack time, so be sure to let us know any allergies or restrictions. We look forward to having your 1-2 year old join us in learning these first lessons of a long life lived for our Lord!

3 & 4 Year Old Class

Teacher: Malory Toothaker
Assistants: Susan Jones, Michelle McElmurray, Billy Jordan, Devan Baker, Darlene Penn

The three and four year old Sunday School would love to have your little one join our class! We have so much fun learning about Jesus! Our class starts with a donut snack. Next we have our Bible story/devotion, prayer time, and craft or activity. We usually finish class with a little "free time" for the children to interact with each other. We have 6 teachers, 2 teachers rotate every 3rd Sunday. We would love to have the chance to work with your child! Please join us!

Kindergarten & 1st Grade Class

Teachers: Stacey Parritt, Shannon Wigginton
Assistants: Kelly Lester, Karen Payton, Cindy Kinsella

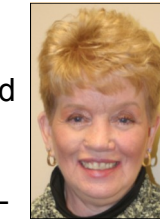

The K/1 Sunday School classroom is taught by experienced classroom teachers. We rotate weekly and encourage children to learn and love the Word of God each Sunday. Our class celebrates Jesus' birthday by having our annual "Birthday Party for Jesus." We also have fall and spring activities planned outside of class to promote Sunday School and to get families involved with their child's spiritual growth.

2nd & 3rd Grade Class

Teachers: Stacia Serafini, Nova Jean Monroe

Your child will learn about Creation, the life, death and resurrection of Jesus as well as many other wonderful lessons from the Bible. Lessons also center around being a good friend, sibling and Christian. Additionally, children and their families will enjoy activities outside of Sunday School, such as a family Easter egg hunt, cookouts, and a birthday party for Jesus. This class is taught by current and former elementary school teachers who have a genuine love for children.

4th & 5th Grade Class

Teacher: Barbara Burch
Assistants: Regina Roseberry, Ken Blackwell

This class helps build on the spiritual foundations that most children have already experienced by attending Bible School and Children's Church. We learn about Bible truths and find out about how to follow God's word by studying the examples of Jesus. We help prepare elementary students for the challenges of middle school by reinforcing that God is always with us. We discuss real life issues and how we can make a positive difference in our community.

Middle School Class (6th-8th Grades)

Teachers: Todd & Bekah McDaniel
Assistants: Angie Blackwell

We know that the middle school years can have a huge impact on what type of person an individual will become. We teach about how Jesus ministered to the outcasts and that this shows us that it is okay to be different. We take stories of the bible and relate them to things that the students may be going through at school or at home. We make it interactive so they don't think they are being lectured as if they were at school. We strive to prepare them as they head off to High School for the pressures they will face. We hope that if they need anything they will not be afraid to ask us to help.

High School Class (9th-12th Grades)

Teacher: Ken Lewis
Assistants: Mike & Ashley Briscoe

Our class is focused on taking the Word of God and applying it to our daily lives. We also focus on building a strong foundation of Biblical knowledge. We do that with a guide that takes us through one book at a time. At the end of each class, we discuss how the scripture speaks to us and what our responsibilities are. Since we have young men and women from several different counties, we also work hard on building relationships. Through sharing our daily challenges, we hope to grow closer together and support each other.
