God's Unfolding Story

### **Deliverance (Part 1)**

#### **Exodus 1:6-12:36**

*After nearly four hundred years of growth in Egypt, Israel is now ready to leave behind the chains of slavery and seek a new homeland. The book of Exodus is the book of redemption as it narrates the liberation of Israel from Egyptian captivity and presents basic historical facts about the origins of the Hebrew nation. Even as God gave Israel the Law, in the Ten Commandments, God told them that His intention was that they might worship Him and be reminded of the fact that He is indeed the Lord God, who brought them out of the land of Egypt, out of the house of slavery (Exodus 20:2). The book holds out God's Law and sets a framework for how God's people are to interact with Him and with others. It also provides a portrait of Christ, the spotless Lamb of God, as the Apostle Paul states, who would set us free from slavery into the freedom of the glory of the children of God (Romans 8:21).*

\_\_\_\_\_ Him

God's means of saving His people is the blood of an \_\_\_\_\_  
\_\_\_\_\_, applied by \_\_\_\_\_

**Questions for Reflection-**

*What does the early life of Moses reveal about God's sovereignty over the affairs of men?*

*Where were the Israelites when Moses encountered God at the burning bush? What was life like for them? How did they express themselves to God? What does God's response show us about His concern for His people?*

*After seeing God display His power, why do you think Moses still wanted God to send someone else to Pharaoh?*

*What does the life of Moses tell us about how God accomplishes His purposes? What does it tell us about the servants He chooses?*

*Has God ever called you to a big task? How have you responded? In what situations do we feel tension between fear and faith?*
