

FULLY CHARGED

FUEL.10

FUEL.10

The Fuel Tour has been privileged to train and equip over 4,000 talented youth and youth leaders within the Pacific Region since 2004. Students and their leadership teams have been given tools and challenged to use them in creative ways as they strive to spread the Gospel to a generation in need of hope. This year Fuel is all about reaching our world and how we can be the salt and light in a world that so desperately needs Jesus.

Our theme for this year is "Fully Charged." But, what does that mean for you? Just as a battery being fully charged allows for the maximum output, your life, your relationships with friends and family, and most importantly, your relationship with God needs to be fully charged in order for you to have the maximum output in your life. When you are fully charged by God, your output into the world will have no limitations; only then will you be able to make the biggest impact in your world.

The Fuel Tour exists to help you fulfill the purpose that God has just for you. It is specifically designated for training and engaging with other Open Bible youth groups while inspiring you to be challenged in your personal relationship with God. These goals are met through various means such as worship, Bible teaching, resources, fellowship, and instruction. The Fuel Tour is under the leadership of Tim Zakarian, the Pacific Region Youth Ministries Director. He will be working with key leaders in each district in presenting at various stops.
