JOIN ONE AND START GROWING TODAY

We were never intended to live life on our own! Jesus walked through life with a group of twelve. Life Groups are the beginning of life for all of us. In these relationships we see our primary examples of how to live together, life to the fullest and life at its toughest. Jesus had to deal with life like you and me, day in and day out. We live life to the fullest when we follow his example.

We have life groups that meet throughout the week in various places around the surrounding area. Please take a look at our current schedule of life groups and come join us in the greatest adventure life has to offer as we move forward together!
