"Head and shoulders, knees and toes, knees and toes ... and eyes and ears and a mouth and a nose, head and shoulders, knees and toes." Do you know the song? Sing along with me ... oh well. I learned the song at Boy Scout Camp in the 60's. You touch each of the members as you sing. It is quite a work out! It's really a spiritual metaphor. *"Now you are the body of Christ and individually members of it [Him]."*

Recently my left foot was "untouchable." Dr. Herrington's expertise, my recliner, heating pad, medication, no small amount of prayerful intercession, Eileen's attention and TLC, and our merciful Father put me back on my feet. I didn't give much thought to my foot on Thursday, but by Friday evening it was calling for my attention, and by Sunday afternoon my undivided attention. Frankly, like individual members of our own body, we can take one another for granted.

What I sense is that through this Lenten/Eastertide we are experiencing how each of Jesus' bodily members at Good Shepherd can and do work together with The Head, shoulders, knees and toes, eyes, ears, mouth and nose, to share His transforming love. The One Mile Challenge has stretched our limbs, not just physically, but spiritually and emotionally. Some convinced they had no voice found they do as they share Jesus' love with our neighbors in conversation, laughter, listening and prayer. Some discovered that 'perfect' strangers are often far from perfect and open to sharing their needs, questions, fears and hurts as we offer to pray for and with them. Others find themselves being prayed for and encouraged by neighbors who love Jesus as we do. Head and shoulders, knees and toes ... as we exercise, we find our [His] "members" growing stronger.

Another opportunity to strengthen our "members" is on the horizon: WOW Wednesday, June 3, 6-8 PM. Two hours of worship and laughter are planned for the River Stage downtown. We are inviting our "unchurched" friends from across the community to hear great Christian music, listen and enjoy family friendly humor, and experience the Body of Christ celebrating His presence and love while offering other an opportunity to meet Jesus. What part will you play? Who will you invite? We are asking other churches and pastors to join us in this community outreach. A member of Jesus' body has underwritten the two Christian artists coming and performing. Corey Peddy is organizing our shoulders, knees, toes, eyes, ears, mouth and nose to serve at the direction of the Head.

"Now you are the body of Christ and individually members of it [Him]." Dare we take one another for granted? For the body to function, all the members need to do our part. The Lord is exercising His body. It's requires movement, discomfort, stretching His and our limbs in unexpected ways. Everyone has knees. Let's pray. Everyone has eyes. Ask the Lord to show you what He is doing among and around us. Everyone has ears. Ask Him to open them to hear the cries of the hurting, and thanksgiving of the joyful. Everyone has arms. Let's embrace the lonely and lost. Everyone has a heart. Let's seek the Holy Spirit to fill ours with more and more love for God and our neighbors. Everyone has a purpose. Let's pray for one another, for each member, for a growing realization and appreciation for our indispensability as members of Christ Jesus.

Stretching and being stretched with you,

Stan Burdoch +
