Grow in Faith, Give in Love, Glorify God

WELCOME

Son Kissed Preschool opened its doors in 1990. This exciting ministry currently includes 14 faculty and 70+ students. We're looking forward to expanding this mission. Come grow with us!

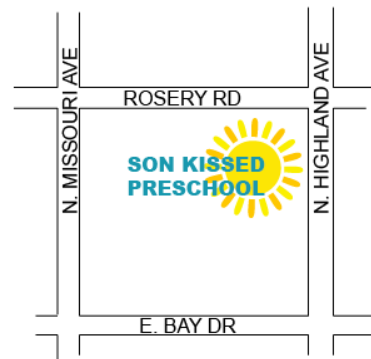

PHILOSOPHY

The philosophy of Son Kissed Preschool is to help children and adults grow in their understanding of the greatness of God and to know that God loves them...ALL THE TIME! Children will be encouraged to explore their place in God's plan through the development of their individual talents. This concept is meant to envision the specialness of each child and the uniqueness of every family. Son Kissed Preschool recognizes a need to build a cooperative relationship between children and the church through Christian love and nurturing so that each child, has every opportunity to develop physically, intellectually, emotionally, socially and spiritually to their fullest potential.

GOALS

Son Kissed Preschool believes that children grow and prosper in an atmosphere of love and understanding. The goals of our program are that each child will:

- ♥ Come to know God's love and become aware that each person is worthy of God's love and the love of other human beings.
- ♥ Build a foundation of understanding of God's greatness.
- ♥ Develop an ability to communicate effectively with teachers and classmates.
- ♥ To hear and imitate sounds used to form words; to enlarge his/her vocabulary through experiences.
- ♥ Develop a growing concept of the relationship of numbers, time, space, and form.
- ♥ Learn to understand and follow simple directions in an individual and group setting.
- ♥ Become aware of the world around him/her through class activities and play.
- ♥ Grow in the ability to think and act for him/her self.
- ♥ Learn manners, sportsmanship, and simple health and safety rules.
- ♥ Develop self-discipline through social development in a loving atmosphere.
