Meeting Called to Order by Norma Sower 9:12 am

I) Welcome / Introductions

Hanna Hartley and Jessica Meloche, both Seniors at GHS with SADD are joining us!  
 Alex Dimitrijevic, a former Therapist has returned to Michigan from state of Wyoming

II) Approval of Minutes of June 24, 2011

**Motion by C. Paepke, support by J. VanderLaan to approve the Minutes of August 26, 2011. Motion Carried.**

III) Governing Board Updates-

Budget approved, 2013 Grant request in process, Youth for GB being sought, Logic Model

IV) John Handed out 2012 Goals, Logic Model and MiPhy Data 2010

reviewed some of the acronyms we're using for those new in attendance and organizational chart

Survey at events will be updated based on the Logic Model, the old surveys need to be tabulated

DFCoalition now has to approve new surveys,

discussed doing surveys at school conferences with SADD being administrators

**Motion by N. Sower, Supported by J. VanderLaan 2013 goal for all 7 schools to have revised surveys based on new logic model, Motion Carried.**

COALITION GOALS AND ACTIONS:

A. Patti reminded us that the DFC grant requires that we (1) address at least 2 drugs - alcohol & tobacco

(2) Have Coalition Capacity building. We may have other goals but can't use the Federal Funds to support

B. Update on communication with Pete Haines, GHS Superintendent. - letter was sent to him in August pertaining to the "mocktails" being served at a Danish Festival event involving youth held at GMS. Mr. Haines was upset with the letter and took offense

In the future, we will have a conversation rather than a formal letter as the first contact.

Lesson is that relationship building is key and that we need to utilize our resources with

acquaintances for a warmer approach with all of our contacts.

C. Pizza - Kim is ready to deliver the Pizza Box Toppers but waiting to hear who has agreed to have them on their boxes. Lynn will check with Mike for his possible contacts.

J. VanderLaan is also willing to deliver the toppers

D. Lynn updated on all Task Forces, participation is key to success. Since MCPUD went to every other month meetings so that there would be time for participation in the Task Forces

E. Lynn discussed using Tablet - such as the ipad, nook, kindle for the surveys when at Festival and Events

F. Lynn presented a Youth Grant Application from Tri County for their Senior All-Nighter. It was the consensus that more information was needed about how they would give the message of no drinking allowed.
