

The sea contains many wondrous sights created by God. When we go under the sea and take a closer look, we see that the sea has much to teach us about God. Join us on Sundays and Thursdays at 11:15 am on facebook or find it on youtube. You can also join me for a hang out on Wednesday afternoon at 4:00. We spend 30 minutes playing a game, chatting, and learning a little bit more about the lesson of the week. Email Lianne at 3cchildren@gmail.com to join.
