

200 YEARS OF FAITHFULNESS

Short-term Mission Trips

As a congregation, we've only been doing short-term mission trips for about the last 30 years.

But, Oh, have we gotten around! Five continents. Seven foreign countries. One Native American Nation.

And, here at home, we've helped two colleges and several children's homes, provided flood relief and hurricane Katrina recovery assistance, helped rebuild a church, and lent a hand to our impoverished neighbors.
