

What is Financial Peace University?

FPU is the most important step to changing your financial future. It is your Total Money Makeover Program. It takes knowledge from God and turns it into real action in our lives through a step-by-step process taught by best-selling author and financial counselor Dave Ramsey.

FPU is a 13-week life-changing program (**beginning Wednesday, Jan. 25, 2012**) that empowers and teaches you how to make the right money decisions to achieve your financial goals and God's plan for your life. The course includes practical lessons on eliminating debt, building wealth, giving like never before, and much, much more! Classes are facilitated by Larry & Linda Nelson.

FPU classes are on Wednesday evenings and begin January 25 at 6:30 pm here at Christ's Church (childcare provided)

Women's Bible Study at Christ's Church is designed to specifically minister to women and their unique roles in their homes, the church and the market place. We do this through the curriculum that is selected, the testimonies that are shared, the demonstrations presented, and the small group time sharing. We have a time of fellowship, refreshments, sharing and prayer. This is a great way to connect with other women in your church family.

*"One generation shall praise Your works to another
and shall declare Your mighty acts."*

Psalm 145:4
