PHOTO RELEASE

Christ's Church has a website that features our Awana club. We would like to put Awana photos on it so others can see what a great time we have here. From time to time we may send out a newsletter which may include Awana photos. Also, at the end of the year, we recap the whole Awana year in a slide show at the Closing Ceremony. There may be other times we will be using Awana photos – in order to do that, we'd like your permission to possibly feature your child.

As a parent/legal guardian of the children registered for Awana on this form, I give permission to Christ's Church to use photographs or video taken of my child(ren), during the 2011-2012 Awana year for use in Awana and Christ's Church publications such as brochures, newsletters, display boards and other print publication, as well as electronic versions of the publications and the Christ's Church and Awana web site for the purpose of promoting the Awana ministry and activities at Christ's Church.
